Consultants

Chairman's Statement

It's my pleasure to introduce our company as fast growing construction firm in Nigeria, and has become an important, well known, and also contributing to the development of the country.

We are **Certified Engineers, Contractors and Consultants.**

Our core areas are;

- ✚ Building Construction and Renovation
- ✚ Civil Engineering Services
- ✚ Mechanical and Production Engineering Services
- ✚ Electrical and Electronics Engineering Services
- ✚ Project Management
- ✚ Real Estate (Property Management, Sales, Valuation or Lease)
- ✚ General Services and Procurements
- ✚ Oil and Gas Products Supply (AGO, PMS, DPK, ELFPO etc)

Bellxs is one of the key players in Nigeria's Building Business, where the potential remain enormous. We are reliable, committed and transparent with all our business partner and associates. We strongly believe that business is successful only when beneficial to all participating parties. Consequently, we also stress major importance of good, healthy and safe working conditions and effective training and development programs for our employee also job satisfaction. We are known as fair employer, loyalty, team work, integrity and performance from all our staff.

Our clients are king. **Bellxs** believe in sustaining credibility through meeting our clients demand. Towards this, we ensure world-class quality control standards to all our clients.

Information is important, it is necessary to be informed about the political and administrative establishment. This is a natural imperative of business development in modern societies all over the world.

Conclusion

Nigeria, the giant of Africa, with over 9200.000km² of rich land and more than 120,000,000 inhabitants has abundant natural, minerals and human resources. It welcomes and encourages new players in its economy.

Bellxs is proud of it role in Nigeria Economy. I welcome you to our website, and invite you to read more about us. We also welcome enquiries.

Prof. David Oloruntoba Olanrewaju
Chairman (**Bellxs**)
